## Report boundaries

This annual report ("the Report") presents the results for EVRAZ plc and its subsidiaries for 2021 divided into segments: Steel, Steel North America and Coal. It details the Group's operational and financial results and sustainability activities in 2021.

The Report has been prepared in accordance with the disclosure requirements of the United Kingdom and the Financial Conduct Authority: the Companies Act 2006, the Listing Rules, the Disclosure Guidance and Transparency Rules, and the Competition and Market Authority. The Report has also been prepared taking into account the International Integrated Reporting Framework, and sustainability reporting best practices.
